NEW YEHUDA ULTIMATE LAB GROWN DIAMOND DETECTORS

SAME 100% DETECTION RATE AS THE 2.0!
Works with your own mobile phone! Enhanced user interface is so simple to use—just one click to see test results in seconds with no calibration or need to change platforms.

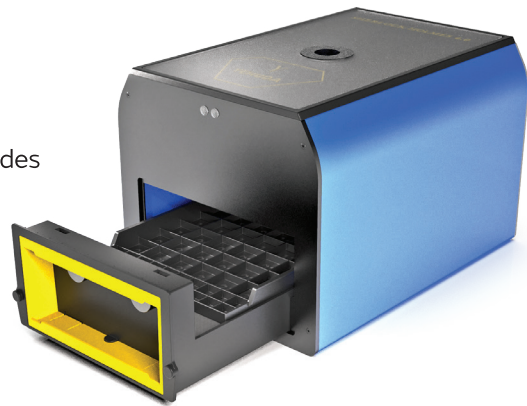

All results are automatically uploaded to the cloud! Plus, you can add lab reports, appraisals, your customer's name & photo, SKU#, barcode, & any number of files or data to the test upload.

Store all the test results from multiple Yehuda detectors under one account. Download the App from the App Store/Google Play! \$10 monthly subscription fee per account (include any number of detectors).
